Virtual Training Centre

The **Training Centre** has large areas available, where theory and practice are both possible. The Mondolfo Ferro's Training Centre can be **virtually toured** thanks to **Matterport technology** that offers a realistic and immersive user experience, complemented by the possibility for the virtual visitor to view specific videos and download the commercial documentation for each product.

MATTERPORT

HOW TO ENROL

In order to participate in our courses, **it is necessary to have an active profile** in our **Training portal**.

If the applicant is not yet registered, he/she can activate it in two ways:
- independently at the following link: <http://trainingcentre.mondolfoferro.it>
- via e-mail at trainingcentre@mondolfoferro.it, by sending us the following information:

1. Company name and VAT no. of the participant/company
2. Generic e-mail address of the participant/company
3. First and last name of the participant
4. Participant e-mail address (can be the same as in point 2)
5. Participant mobile phone (optional but recommended)

Upon registering, the participant will receive the credentials by e-mail. These are to be used to access his/her personal area within the **Training Portal**, where he/she will find all the information about the courses, the teaching materials and the certificate at the end of the course.

On the other hand, if the participant already has an active profile, he/she can enrol to the courses independently.

Login or Register at

TRAINING PORTAL
